NUMB. 443.

THE South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick.

From MONDAY *September* 13, to MONDAY *September* 20, 1742.

CHARLES-TOWN, Septtmber 20.

On Tueſday laſt the new Aſſembly met purſuant to the Writs, and having choſe the Honourable *Benjamin Whitaker*, Eſq; for their *Speaker*, preſented him to his Honour the Lieutenant Governor for his Approbation, who was pleaſed to approve of him accordingly. On Wedneſday his Honour, having required the Attendance of the Commons Houſe in the Council Chamber, went thither and opened the Seſſions with the following *Speech* to both Houſes, viz.

The SPEECH of the Honourable WILLIAM BULL, *Eſq; Lieutenant Governor and Commander in Chief, in and over the Province of* SOUTH-CAROLINA, *delivered to the Members of his Majeſty's Honourable Council, and the Commons Houſe of Aſſembly, on the 15th Day of* September *1742, in the Council-Chamber.*

Gentlemen of the Council, and Mr. Speaker and Gentlemen.

IT is with great Satisfaction that I meet you now in General Aſſembly, that I may have the Opportunity to recommend to your Conſideration, ſuch Matters as are moſt likely to promote the General Welfare and Security of this Province, wherein I am always deſirous to have your Advice and Aſſiſtance.

WHEN the preſent Situation of our Affairs is conſidered, and the Dangers which lately threaten'd our Lives and Fortunes, to which we are ſtill expoſed, beſides what may be apprehended in caſe of a War with *France*; I doubt not but you will readily agree in Opinion with me, that ſuch, are Matters wherein our preſent, as well as future Safety are greatly concerned; and therefore I recommend them to your immediate Conſideration, that all ſuch Meaſures may be concerted, as will be ſufficient to ſecure the moſt expoſed Parts of this Province, and thereby encourage the better ſettling and ſtrengthening the ſame, as well as to diſappoint the Attempts of our Enemies, either by Sea or Land.

Mr. Speaker and Gentlemen,

I HAVE ſome conſiderable time ago given proper Orders, that *Johnſon's* Fort, as well as *Charles Town*, ſhould be put into the beſt Poſture of Defence: With Regard to the Fort, that is already done; and as to *Charles-Town*, the Commiſſioners for building up the *Curtain Line*, are carrying on that neceſſary Work, I hope, with Care and Diligence, and I have alſo employed Colonel *Beale*, as a proper Perſon, to erect ſeveral new *Batteries*, and a *Breaſtwork* on *Aſhley River*, to cover the *South* Part of this *Town*, but as there are *Others* ſtill unguarded, proper Works ought to be erected there alſo.

AT the ſame Time, the Neceſſity of making *Port Royal* more defencible (which is our *Southern* Frontier and the moſt commodious Harbour of this Province) by repairing Fort *Frederick* there, or building a new one in ſome more convenient Place, and the ſtationing the *Galleys* at *Beaufort* under the Care of a proper Perſon, with a ſufficient Number of Men to keep them always ready for Service, are Matters of ſuch Importance to the Welfare of this Province, that I earneſtly deſire, and recommend to your Conſideration, that Proviſion may be made for the ſame accordingly.

WILLIAM BULL.

After which the Members of his Majeſty's Council preſented to his Honour the following Addreſs.

To the Honourable WILLIAM BULL *Eſq; Lieutenant Governor and Commander in Chief, in and over his Majeſty's Province of* South-Carolina.

The humble ADDRESS of his Majeſty's Council of the ſaid Province, met in General Aſſembly.

May it pleaſe your Honour,

WE his Majeſty's moſt dutiful and loyal Subjects, the Council of this Province, now met in General Aſſembly, return your Honour our ſincere and hearty Thanks, for your Speech to the Two Houſes, at the opening the preſent Seſſion of the General Aſſembly, and for your Honour's Zeal for his Majeſty's Service, and the general Welfare and Security of this Province, in ſo early convening the ſame.

WHEN we conſider the preſent Situation of our Affairs, the Dangers which lately threatened our Lives and Fortunes, and from which we were then delivered by the good Providence of Almighty God, but to a Repetition whereof we are ſtill expoſed, ſuch Conſiderations cannot fail of having a ſuitable Effect upon our Minds, in firſt pointing out to us our moſt grateful Returns to Heaven, for our Deliverance; and next, our juſt Acknowledgements to your Honour, for your indefatigable Pains and Care, exerted with the utmoſt Zeal and Diligence, not only to put this Town and Province in the beſt Poſture of Defence, to receive the Enemy, but even to give our invaded Neighbours all the Relief and Aſſiſtance our Circumſtances would permit, to repel the Invaders of his Majeſty's Dominions in theſe remote Parts; for, theſe are Acknowledgments that Truth and common Gratitude demand. And we take Leave on this Occaſion, to aſſure your Honour, that our Attachment to his Majeſty's Royal Perſon and Government, and our Zeal and Concern for the true Intereſt of this *Province*, will lead us to promote or concur with every Meaſure that can be concerted, for eſtabliſhing the future Security and Welfare thereof, and this the more readily, becauſe we can, from our paſt Experience and perſonal Knowledge, aſſure Ourſelves, of your Honour's ready Diſpoſition, to carry into Execution every Thing that has a Tendency to thoſe valuable Ends.

JOSEPH WRAGG.

Upper-Houſe, 16th of *Sept.* 1742.

To which his Honour the Lieutenant Governor made the following Reply.

Honourable

Honourable Gentlemen,

I AM obliged to you for this freſh Inſtance of your Zeal for his Majeſty's Service, and the Welfare of your Country, which cannot fail of meeting with his Majeſty's Royal Approbation. It is my hearty Inclination, as well as my Duty, and therefore I ſhall uſe my beſt Endeavours to promote the ſame, in every Thing in my Power.

16th *Sept* 1742. WILLIAM BULL.

After which, the Honourable *Benjamin Whitaker*, Eſq; Speaker, together with the whole Commons Houſe of Aſſembly, attended the Lieutenant Governor in the Council Chamber, where they preſented to his Honour the following Addreſs.

To the Honourable WILLIAM BULL, *Eſq; Lieutenant Governor and Commander in Chief, in and over his Majeſty's Province of* South-Carolina.

The humble ADDRESS of the Commons Houſe of Aſſembly of the ſaid Province.

May it pleaſe your Honour,

WE his Majeſty's moſt dutiful and loyal Subjects, the Commons of this Province, now met in General Aſſembly, return your Honour our hearty Thanks, for your Speech delivered to us Yeſterday.

WE are very ſenſible of the Dangers lately threat'ning our Lives and Fortunes, to which we are ſtill expoſed, and ſincerely agree in Opinion with your Honour, that our preſent as well as future Safety are greatly concerned, and beg Leave to aſſure you, Sir, that we ſhall chearfully take under Conſideration, the Matters you have thought proper to recommend to us, as neceſſary for the Publick Security, and by our Unanimity and Diſpatch at this critical Juncture, ſhall endeavour to approve ourſelves dutiful and loyal Subjects to our moſt gracious Sovereign, and faithful Repreſentatives of the good People of this Province.

IT is a great Satisfaction to us that *Fort Johnſon* is already put into a good Poſture of Defence, and that the Fortifications of *Charles Town* are already ſo far advanced, which we are well aſſured is greatly owing to your Honour's indefatigable Diligence and Application in the Publick Service; for which, as well as many other undeniable Proofs of the Benefits accruing to this Province through the whole Courſe of your Adminiſtration, we beg Leave to return our moſt hearty and unfeigned Acknowledgements, and do not in the leaſt doubt, but that Harmony and good Agreement, which has ſo long ſubſiſted between your Honour and former Houſes of Aſſembly, will ſtill continue in this, to which, we beg Leave to aſſure your Honour, we ſhall at all Times contribute every Thing in our Power.

In the Commons Houſe of Aſſembly,
the 16th Day of Sept 1742.
By Order of the Houſe,
BENJ. WHITAKER, *Speaker.*

To which *Addreſs*, his Honour the Lieutenant Governor made the following Anſwer.

Mr. Speaker and Gentlemen,

I THANK you for this loyal Addreſs; it is a great Pleaſure to me, that my Endeavours for the Publick Service, in the Adminiſtration of this Government, have given you Satisfaction: Nothing will be wanting in me to cultivate that Harmony and good Agreement with you, which hath ſo happily ſubſiſted between me and former Houſes of Aſſembly.

WILLIAM BULL.

We hear, the *Charles Town* and *Beaufort* Gallies are both ſtationed at *Port Royal*, ready for Service upon the leaſt Notice.

On Sunday laſt the *Flamborough* and *Hawk* Men of War arrived here. But we hear no News yet of the Prize Snow. The ſame Day his Majeſty's Ship the *Ryſe* fell down into *Rebellion Road*, in order to go out on a Cruize.

This Day arrived from *Providence*, Capt. *Smith*. He was chas'd on the 3d Inſtant, at Ten o'Clock in the Night, by Two Veſſels, and narrowly eſcaped. His Purſuers he ſuppoſes were a *Spaniſh* Privateer and Prize; the Privateer bearing him to ſpeak with the other Veſſel, which ſailing bad was left almoſt out of Sight.

By the ſame Veſſel, we have Advice of the Arrival of Capt. *Parſons* at *Jamaica*, in one of the Veſſels ſent Expreſs by this Government on the late Occaſion; before he arrived, Two Ships of War and Three Tranſports were come from *England*, with Men to ſettle an Iſland in the Bay of *Honduras* (called *Rio*,) but upon a Council of War being held (on the above Expreſs) by the Admiral, thoſe Men of War and Tranſports were ordered to hold themſelves in Readineſs to proceed immediately to our Aſſiſtance, and the Men to ſettle either at *Port Royal* in this Province, or *Georgia*. Capt. *James Wimble*, in the *St Antonio* Privateer, has been again lately attack'd by Two *Spaniſh* Ships of Force, but after exchanging a few Shot, happily got clear.

Capt. *Dickinſon* from *Antigua*, gives us a melancholly Account of a terrible Hurricane that happen'd on the 7th of *Auguſt* laſt, and had been felt on the *Leward Iſlands*, but not to us to have damaged the Crops. Several Veſſels were drove aſhore at *St. Kitts*; One of his Majeſty's Ships (Convoy to ſome Store-ſhips for *Jamaica*) off *Deſeada* loſt all her Maſts, and of all the Veſſels then among the *French* Iſlands but one Scheoner was ſav'd.
